Evangelistic Social Outreach Program at All Saints Home (Tampines)

Jn 1:12 says,

*“But as many as
received him, to them
gave he power to
become the sons of
God, even to them that
believe on his name.”*

Since early 2024, by God's Higher Hand, SHBPC has been ministering to the residents at the All Saints Home with the Word of God at both Tampines and Hougang, including personal outreaches to the residents.

Pastor Jack and Joseph have been preaching the Word in both English and Hokkien respectively and there were also special items of praise from time to time, simple games and practical gifts for the residents from the church and in singing led by Eld Tan Yue Kay with 13 of us attending.

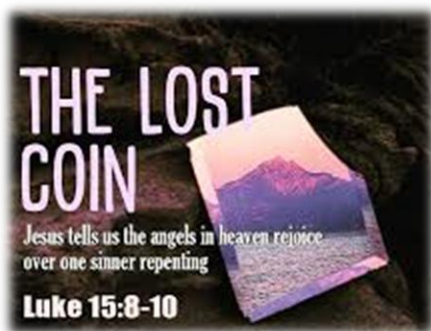

Last Sat 13 Sep was our 4th visit. Eld Yue Kay led the meeting with Joseph Chan, and Calvin Murty sang a hymn “I Must Tell Jesus”. Joseph Wee shared the gospel message on “Win or Lose?” There were 37 residents who attended with three relatives of the residents and three other nursing staff. The Lord worked in a marvellous way. During our personal outreach session, we were alerted to one of the residents by chaplain Michelle and Eld Yue Kay, 68-year-old Mr Hays who expressed interest in seeking Christ and become a Christian. We

shared the gospel with him in Chinese, and he accepted Christ as his personal Saviour and Lord, as we prayed together. The chaplains will follow-up on him in his spiritual growth and inform his relatives.

Thank God for every soul is precious in the sight of the Lord and heaven rejoices over one soul who repents. (Lk 15:10)

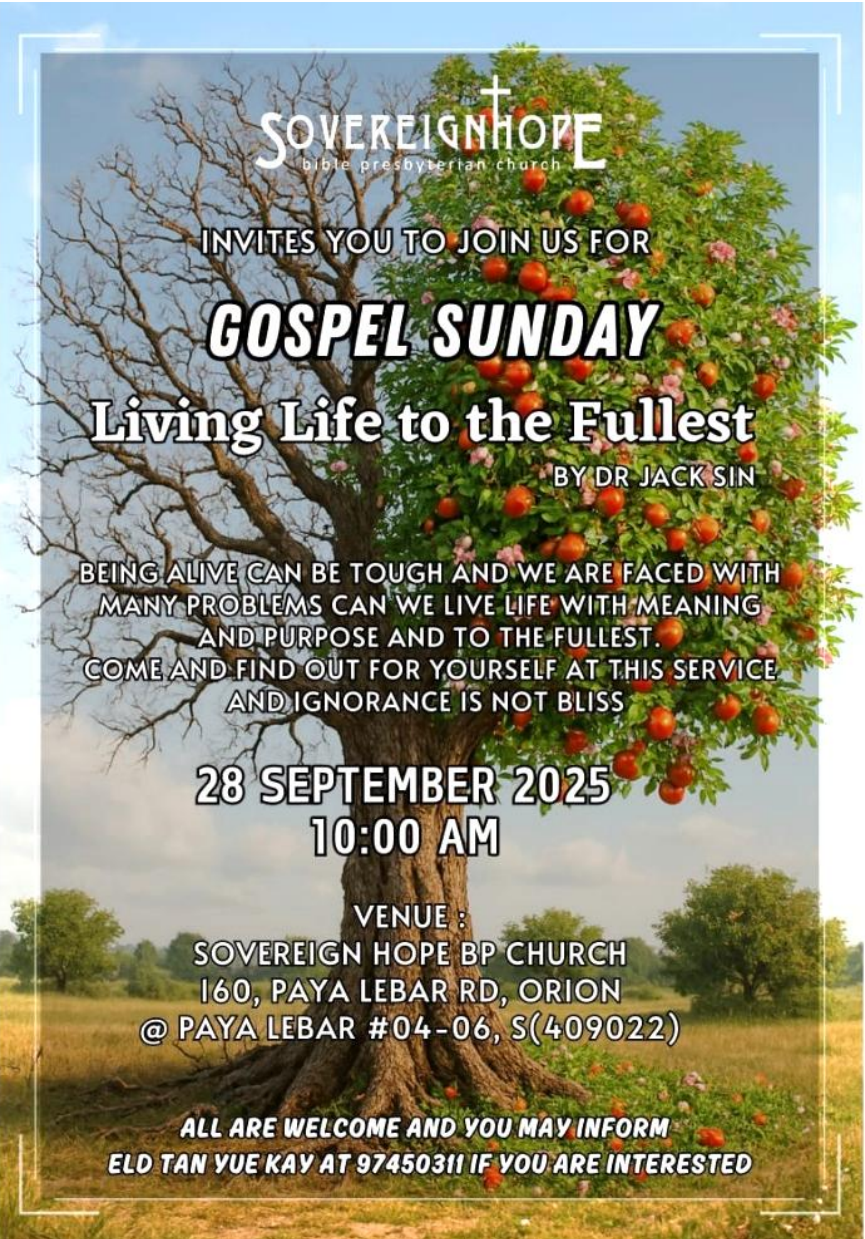

God willing, the SHBPC team will be there again. Pray for an effectual gospel outreach to the senior residents to the saving of souls as the Lord leads. Do uphold this ministry in much prayer.

A Feeble & Effectual Vessel for the Master's Use

Let us do a spiritual autopsy of the Charlie Kirk's incident that occupied the headlines for almost a week especially in the United States and even globally.

The horrendous and earth-shaking assassination of a Christian conservative, Charlie Kirk on 10 Sep 2025 at Utah Valley University has polarised the US as many are still processing this impactful event as never before.

31-year-old Charlie Kirk, CEO of Turning Point and a prominent political activist was known for his bold and outspoken views as he debated students in universities all over the US from abortion to marriage, race and religion, transgenderism, economics, social issues, politics and many controversial subjects.

We live in a fallen and depraved world where violence and hatred thrive, and Christians need to beware and be vigilant, but courageous for Christ in our witness in a prudent manner. Despite his assassination, we acknowledge the Sovereignty of God in all things as we are mindful of the

teaching of Rom 8:28 and Gen 50:20 relevant to this particular case.

The executive producer of Turning Point says they received 37,000 requests for ministry in different universities and schools and that their podcast audience has increased from 1.2 million to 11 million after the death of Charlie. The culprit actually helped Charlie in his ministry posthumously and ironically. God is still in throne and the call for true repentance is needed here than ever before to all on both sides of the political divide. **We do not always understand why the Lord allows things to happen to believers but these two verses above are always comforting and true for those who are truly called and who love the Lord.**

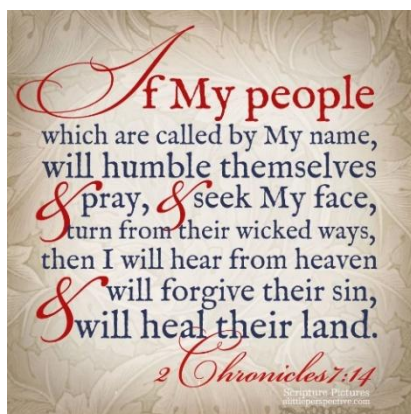

Gen Z needs an effective Christian witness to engage them in their worldviews as they are lost in many issues of life and Charlie Kirk fulfilled that to some extent quite effectively though not perfectly. Bear in mind that he is a Christian with spiritual values and convictions and may be right in many things he said but we cannot vouch or agree with everything he had said or stand for in good conscience. Our God uses imperfect stewards too despite their weakness and failings and the other camp will bring out all his flaws and missteps in his campaign and speeches and there may be some truth in it, but that does not disqualify him nor give them a licence to pour contempt or disdain upon him in his death. It is easy to throw stones at others and let the “*perfect one*” cast that first stone. **The fact that Charlie Kirk was so influential only shows the great mercy of God in using feeble vessels and that all glory must go to God alone. We are neither pro-Charlie nor anti-Charlie, but we are pro-God of Charlie despite what has happened and whom God has chosen to use.**

We need to pray for comfort for Erica and her two young children and for a spiritual awakening in the US not with hatred or anger but with the power of the holy Spirit impacting and transforming hearts with or without Charlie. **This nation which was built with the glorious spiritual vision of the Pilgrim Father on Mayflower in 1620 has lost its bearings somewhat. Will this really be the dramatic Turning Point For the most powerful nation in the world for the better (ie not powerful for very long though)?**

We can only wait patiently and pray that the Lord will be merciful to do so not just for them but for all of us as well. We need it desperately before He comes in all His glory to judge this world with perfect justice and righteousness and it may not be too long.

Let us be always praying on our knees in humble intercession for the Lord's intervention and mercy in these troubled and turbulent times. Kneeling gives us a good standing before God.
