

A Sacred Resolve in Tumultuous Times

**A notable occasion is ours today;
As we commemorate, praise and pray;
To a bountiful Father who cares and rules;
Who provides, protects and preserves us too.**

**Sovereign Hope BPC is incepted by thee;
As thou hast ordained 3 years ago sovereignly;
To be a lighthouse in the central part of Singapore;
Building the saints with the word preached extempore.**

**Let's sound the saving message abroad;
Announcing the Word of life from the risen Lord;
And proclaim His mercy and his grace;
Heralding His gospel to a sinful race.**

**All Laud to Jehovah who opens doors;
To weary pilgrims in spiritual wars;
Edifying souls with the pure biblical sound;
Proclaiming the Word with lost souls found.**

**Will any forsake all and heed the Master's call?
Comfort resign and worldly pleasures all;
And find real purpose and joy in life
Amidst a pandemic of death and strife.**

**Lord Almighty, protect and prosper the flock,
Who is founded on Christ the Solid Rock;
That those in Thy love will shine so bright;
Others see and receive the Eternal Light.**
